REQUIREMENTS

1.0 GENERAL

The intent and purpose of the following requirements and specifications is to establish minimum quality, safety and performance standards for weekly or monthly rental of equipment.

2.0 BASE

MoDOT will accept quotes on new or used units. However, the unit delivered must be completely covered by a manufacturer's or renter's warranty, which includes replacement/repair parts, labor and transportation costs for the entire length of the rental period. The complete units must be manufactured in accordance with the latest adopted OSHA or SAE Standards and amendments thereto. Parts and service availability **MUST** be within 24-48 hours of contact.

In the event of the successful vendor has an opportunity to sell a machine that is under rental contract with MoDOT, MoDOT will allow for this as long as a suitable replacement can be supplied without causing downtime for MoDOT crews and/or paving operations.

3.0 MAINTENANCE AND REPAIR

The department will furnish fuel, grease lubricant of chassis, and normal maintenance cleaning. The bidder will be responsible for all scheduled oil changes and periodic services required by manufacturer or bidder. The bidder shall furnish all necessary lubricants, replacement filters (oil, fuel, air filters, etc.) replacement/repair parts, labor and transportation.

4.0 DOWNTIME

If the unit is unavailable for use for more than 48-hours, at any time, the bidders must substitute a loan unit of mutually agreed upon type. The substitute unit must be provided within 3 days after the initial 2 days of downtime has accrued, unless a MoDOT representative agrees to more flexible arrangement offered by the bidder. If after this time a substitute unit has not been provided or the original unit has not been repaired, and this exceeds 10 working days, MoDOT reserves the right to obtain another unit from the next low bidder or other resources. If such a unit is obtained, MoDOT reserves the right to terminate the original rental with the first vendor and will continue with the second vendor for the duration of the original rental period. All costs associated with delivery and pickup of rented units is the responsibility of the renter.

5.0 VEHICLE DAMAGE

The department will be responsible for abuse or damage to the unit beyond normal expected wear and tear for highway maintenance operations. The maximum damage claim will be established at 75% of the manufacturers suggested retail price. A copy of the manufacturers suggested retail price is to be provided at the time of delivery and retained as part of the contract.

6.0 PAYMENT

Payments will be processed monthly. Renter must include the purchase order number and building name on each invoice to expedite payment.

7.0 AWARD

Award of this bid will be made on an "Item By Item" basis using the "lowest and best" principle of award.
